## AC-2010

### Alkaline Water-based Cleaner

**AC-2010** is an alkaline, water-based, liquid, concentrated cleaner, used to remove oil, exhaust track film, and traffic film from aircraft exteriors. It may also be used for cleaning cabin and baggage areas of aircraft interiors, as well as gas trucks, ground service units, and freight-handling vehicles.

- Concentrated, powerful cleaner.
- Safe on most plastics, paint, and electrical insulation.
- Nonflammable; no vapor toxicity.
- Safe on aluminum, magnesium, ferrous alloys, and high-strength steel.
- Biodegradable.

#### **Heavy-duty cleaning:**

Mix 1 part **AC-2010** with 4 parts petroleum solvent. Air-agitate the mixture to form a thick, creamy emulsion which may be applied by spray, mop, or brush. Allow a few minutes for penetration, then agitate with a brush, and rinse thoroughly with water.

#### **Routine aircraft cleaning :**

Mix 1 part **AC-2010** with 10 parts water. Apply by spray, agitate with a brush, and rinse thoroughly with water,

#### **Cleaning aircraft interior surfaces:**

Mix 1 part **AC-2010** with 20 parts water. Apply to surface being cleaned with a rag or spray bottle. Wipe surface with a clean, dry rag. No other rinsing is necessary. This procedure is used on hard, nonporous surfaces such as metal, wood, and vinyl plastic.

#### **For cleaning upholstery, rugs, and other soft surfaces:**

Mix 1 part **AC-2010** with 10 parts water. Spray solution on area to be cleaned or apply with a wetted fiber-bristled brush with **AC-2010** solution and agitate the surface vigorously to generate foam. Wipe surface with a clean, dry rag. Fabric surfaces should be wetted as little as possible to allow for quick drying.

#### **Caution:**

**AC-2010** is a powerful cleaner which will defat the skin. Avoid skin contact by using appropriate PPE such as the use of rubber gloves.

Avoid contact with skin and eyes. Use rubber clothing and face shield. Use with adequate ventilation. In case of accidental contact with eyes, flush with plenty of water, and contact physician.

#### **Health Precautions:**

This product is safe to use and apply when recommended precautions are followed. Before using this product, read and understand the Safety Data Sheet (SDS), which provides information on health, physical, environmental hazards, handling precautions, and first aid recommendations. An SDS is available on request. Avoid overexposure. Seek medical attention in case of extreme overexposure.

**For Industrial Use Only.  
Keep away from children.**

# Specification Sheet

Approved by or Conforms to the following specifications:

---

MIL-C-25769 Cleaning Compound, Aircraft Surface, Alkaline Water Base
