AC-5010

Interior Aircraft Cleaner

AC-5010 is a water-based, liquid, concentrated cleaner, used for cleaning cabin and baggage areas of aircraft interiors. It is particularly effective for cleaning hard surfaces such as seat trays, windows, and mirrors.

- Concentrated, powerful cleaner
- Safe on plastic, paint, and electrical insulation
- Non-flammable; no vapor toxicity
- Safe on aluminum, magnesium, ferrous alloys, and high-strength steel.
- Biodegradable

AC-5010 is for cleaning aircraft interior surfaces, ready to use (RTU) as received.

AC-5010 is used on hard, non-porous surfaces, such as metal, glass, vinyl, and plastic.

Apply to surface being cleaned with a wetted rag or spray bottle. Wipe up loosened dirt on a clean, dry rag. No rinse is necessary.

For cleaning upholstery, rugs, and other soft surfaces, mix 1 part **AC-5010** with 1 part water. Lightly wet a fiber-bristle brush with solution and agitate the surface vigorously to generate foam. Pick up foam on a clean, dry rag. Avoid over wetting soft surfaces. If over wetting should occur dry area with a clean dry cloth to reduce wetness. **AC-5010** may be used full strength as a spot treatment to remove heavy soiled spots on carpets.

To clean surfaces such as glass, mirrors, or glossy surfaces, dilute **AC-5010** with up to 10 parts water as needed to remove dirt.

Caution: Avoid contact with skin and eyes. Use with adequate ventilation. In case of accidental contact with eyes, flush with plenty of water, and contact physician.

Health Precautions:

This product is safe to use and apply when recommended precautions are followed. Before using this product, read and understand the Safety Data Sheet (SDS), which provides information on health, physical, environmental hazards, handling precautions, and first aid recommendations. An SDS is available on request. Avoid overexposure. Seek medical attention in case of extreme overexposure.

**For Industrial Use Only.
Keep away from children.**

Specification Sheet

Approved by or Conforms to the following specifications:

AMS 1550 Cleaner, Water-Base, Aircraft Interior Hard Surface Materials

● Douglas CSD #1 "Aircraft Maintenance Chemicals"

Boeing D6-7127 "Cleaning Interiors of Commercial Transport Aircraft"

All recommendations, statements, and technical data contained herein are based on tests Aero Clean Technologies, LLC believe to be reliable and correct. Accuracy and completeness of said tests are not guaranteed and are not to be construed as a warranty, either expressed or implied. Users shall rely on their own information and tests to determine suitability of the product for the intended use and assumes all risks and liability resulting from his use of the product. Aero Clean Technologies, LLC and Seller's sole responsibility shall be to replace only that portion of the product of Aero Clean Technologies, LLC which proves to be defective. Neither seller nor Aero Clean Technologies, LLC shall be liable to the buyer or any third person for any injury, loss, or damage directly or indirectly resulting from use of, or inability to use, the product. Recommendations or statements other than those contained in a written agreement signed by an officer of Aero Clean Technologies, LLC shall not be binding upon the Aero Clean Technologies, LLC or seller.
